

Alpha Data will be changing the circuit revision of certain products in its range.
This notice lists the affected products and the nature of the changes.

Product(s) Affected:

Current Part Number	New Part Number
ADM-XRC-6T1 (all build options and variants) Serial number 1060 onwards	No change

Description and Purpose of Change:

The purpose of this change is to replace obsolete components with compatible alternatives. There are no changes to the overall form, fit or functionality of the product.

The component change(s) are detailed in the table below.

	BOM Item	Original p/n	New p/n
(a)	113	SiLabs 501AAA25M0000CAG (50.0ppm)	Microchip (Micrell) DSC1001CI2-025.0000 (25.0ppm)

The new component has the same dimensions as the original and does not affect the board profile.

Impact on Form, Fit or Function:

None

Effective Date of Change:

21/12/2015

Recommended Action for Previous Board Types:

None
