

Overview

Alpha Data is committed to the long-term supply of products where it is viable to do so. Rising component costs and falling demand due to customers migrating to newer and more capable Alpha Data products mean that products with Virtex-4 "target" FPGAs have reached End of Life (EOL).
Production will be discontinued at the end of 2020.

Product(s) Affected:

Current Part Number	New Part Number
ADM-XRC-4LX All variants	No direct replacement. Closest alternative is ADM-XRC-7K1
ADM-XRC-4SX All variants	No direct replacement. Closest alternative is ADM-XRC-7K1
ADM-XRC-4FX All variants	No direct replacement. Closest alternative is ADM-XRC-KU1
ADPe-XRC-4 All variants	No direct replacement. Closest alternative is ADM-XRC-KU1 with ADC-PCIE-XMC3 carrier

Impact on Form, Fit or Function:

Form N/A
Fit N/A
Function N/A
